

10th Annual Bullards Bar Derby June 8, 2002

Thank you members and participants for making the **10th Annual Bullards Bar Project Kokanee Derby** another success for the record books. Over one hundred and forty participants enjoyed a great day on the water and the beautiful weather. Most found the fishing very fast and furious with many limits to the boats. The depth ranged from 45 to 60 feet and just about any color and lure were great producers.

Many thanks to our sponsors and supporters:

Rod Rector & Sean Carr, owners of Placerville Marine, and crew who volunteered their time doing another outstanding job as the weigh masters.

Auburn CHP who cooked up a great barbequed Tri-Tip sandwich lunch.

Tim Turner of Western Outdoor News for once again being an outstanding Master of Ceremonies.

Over \$2,500 worth of raffle prizes were raffled with many supporters such as [Pepsi](#), Bud Neville, Elkhorn Bait & Tackle, donated valuable merchandise.

A big THANK YOU to our sponsors [Cannon/Bottomline](#), Emerald Cove Marina, Miner Moe's Pizza, [Pro-Troll/Cabela's](#) and BK Power Coating.
