

5th Annual New Melones Invitational Derby

The CIFFI 5th Annual New Melones Invitational Derby ran true to form and once again was an exceptional event. Held on Sunday, July 13, 2003, the 120 participants worked for their THREE Kokanee. For some it came easy.. others worked pretty hard, but the results were terrific ! Chairman Jeff Stark organized a smooth, professional event and this years LENGTH, not WEIGHT of fish for sinning results, proved to be an interesting adjustment. The raffle was a phenomenal fundraiser for CIFFI and thanks go to all the volunteers, participants and sponsors, San Joaquin Drywall, Bucks Outboard and Cannon/Bottomline.
