

## New Melones Invitational July 25, 2004

Thank you to all those who participated and sponsored yet another successful event. One Hundred and twenty participants had a great day at the New Melones Invitational on another very warm July 25th. This was truly a great competition as the fishing was a bit on the slow side. The objective of meeting the 3 fish goal was tested at best.

A BIG thank you to **Bruce Yates** of **San Joaquin Drywall** for sponsoring this great event. Jeff Stark and his crew deserve a BIG pat on the back for all the planning and hard work they did to make this event one for the history books. Thanks also goes to Chuck Dunham for putting together a yet another great raffle.
