

2010 New Melones Team Tournament

July 10, 2010 – This year’s event was once again sponsored by Bruce Yates of San Joaquin Dry Wall.. Thank you Bruce!! Today saw over 100 participants vie for the \$3,000 first place prize. The bite was pretty easy for most with only a couple coming off the water with the skunk. Most everyone who was spoken to fished the dam area between 35-55 feet down. The morning started out nice and cool but quickly warmed to the upper 90’s but most stayed on the water until the appointed end time of noon.

Silver Sage Catering had a fantastic lunch ready and waiting when everyone arrived. Corn on the cob, Tri-Tip, pasta salad, Caesar salad, BBQ beans and rolls did the job of satisfying even the hungriest of fisherman.

Dale Daneman once again did an outstanding job of being the M/C. Raffle prizes totally over \$4,000 which included items such as Electric downriggers, 70 and 55 thrust trolling motors, 26” flat screen TV, & guns were raffled off.

Tournament Chairman Garry Erck gives a BIG Thank you to all who participated and to all the volunteers who helped make this tournament a huge success.
