

General Membership Meeting  
Elks Lodge, 6446 Riverside Blvd., Sacramento  
October 22, 2008 7:30 PM

In addition to the Board Members who attended the Board meeting, the following were present: Helmer, Haycox, Delgado, Speer, Van Sistine, Finger, Boswell, Voet & Woods.

Sunny made a brief presentation regarding Annual Dinner status. There are plenty of good prizes. He will report total to the caterer next Wednesday. He is still short of volunteers and all were requested to ask friends to attend the dinner as 400 is the goal.

Introductions were held.

Garry covered ISE shows and asked for volunteers to man the booths. Sheffler and Carrington are handling San Mateo and Harvel will do Sacramento.

He covered highlights from the September Board of Directors Meeting:

Review of updated By-laws – accepted.

Accomplishments Brochure – ready for Dinner and ISE shows.

Pen Update – No date yet for fish to go into Berryessa

Nerka Newsletter – Derby applications will be included in the issue for sport shows - will be the only one mailed – the other three will be electronic.

Weighmasters for the Derbies – will be Nasca and Harvel. Boswell volunteered to help.

Meeting dates and location – at the start of the new year, will be held at Sunny's Marine.

Meetings will be MARCH, APRIL, MAY, JUNE, AUGUST, OCTOBER and DECEMBER. Board of Directors only meetings will be FEB. and SEPT.

Newly elected Vice-President is Sunny Lampe.

President Garry Erck agreed to extend for another year.

Larry Boswell provided an update on the egtake today...at Taylor Creek, plenty of help, about 1,200 fish, and approx. 1 - 1.3 million eggs taken. DFG feels they have plenty of eggs for next year. He saw a couple of male kokanee in the 4 pound range, and was visited by a brown bear. He and Witt Finger both gave thanks for the hats and shirts. They really enjoyed the day.

Gary Voet of Catch A Smile held annually at Aerojet made a presentation and requested a donation of \$2,500 to keep the program going. The disabled children who attend would otherwise not get an opportunity to catch fish. Board will get back to him.

Sep reported that Gone Fishin' is probably going to donate a Honda motor to the Dinner and Jetcraft is working on a raffle boat for next year.

General fishing info ended the meeting at 8:40 PM.

Respectfully submitted,  
Marilyn Hendrickson...(Thompson not present)
